

# Stansberry Here on Mission of Mystery

## FOOTBALL TEAM PROMISING MUCH COMING SEASON

Adam, as Usual, Trying to Kid Newspapermen—Blames Trip on Junior.

"BY 'CHUCK'" Adam Stansberry is spending a few days in this city, but the real reason for his visit is yet a mystery. When asked what he was doing in Fairmont, Adam replied, "Oh, just brought the kids up to ride the merry-go-round. We don't have any at Morgantown."

Adam seemed very optimistic regarding the varsity football schedule this fall. He said, however, that the best football team ever in this city was in 1916, a year before he began his work here. "It is likely that they will have a better team after I leave, since the one before I came could beat anything we've had since I've been here," he said. Adam declared that "it's going to be a peach. I was up to Jackson's Mill sometimes ago and it is the best place imaginable. With the new county buildings completed, it will be an ideal place to train."

**Game Saturday** A great crowd is expected at South Side Park Saturday afternoon when the Elks and Glasses will stage a game. The teams have a large following among the local fans, and they are anxious to see them in action. They have met once before this season, the Glasses winning out by a narrow margin.

The opening game of the Sunday School League on the East Side will be played this evening, when the Palatine Baptists will meet the Diamond M. B. outfit. The game is called for 6:15.

Watson defeated Middleton in a good game on the Watson diamond last night 3 to 2. It was a battle of pitchers between Welch and Satterfield.

Despite the fact that they made twenty-five hits, the Pirates lost a ten inning game to Brooklyn yesterday 15 to 14 and dropping into fourth place in the race. It was one of the worst eastern trips ever made by the Pittsburgh team.

## LOCAL GOLFERS TO PLAY CUMBERLAND

The golf committee of the Fairmont Country Club has arranged a match with members of the Cumberland Golf Club to be played the coming week-end over the Maryland city course. Eighteen local players have signified their interest in taking part in the event, and plans call for motoring to Cumberland, leaving Fairmont about 7 a. m. Saturday so that the golf match can be played during the afternoon.

If the roads are not subjected to further rain this week, the ride to Cumberland is expected to take no more than five to five and one-half hours. That will put the Fairmont party at the Cumberland clubhouse in time to play eight to ten holes during the best part of the afternoon. Several of the Fairmont party will remain Saturday night, returning home on Sunday, and the rest will probably motor back Saturday night.

The Cumberland Golf Club course is only three years old but is said to be in excellent playing condition and also a very sporty nine hole layout. It is somewhat more lengthy than the Fairmont course and will call for an average of longer shots than local players have been accustomed to playing.

Fairmonters who plan to make the trip are enthusiastic over the prospect of getting into competition with the long hitters of the Maryland organization. The names of those listed to make the trip were given out by the local club golf committee as follows: R. H. Paul, M. J. Chambers, Kenna Clark, G. T. Watson, S. L. Watson, Jr., J. O. Watson, Arthur Deckman, Scott Lowe, E. F. Hartley, S. W. Wright, P. Patton, Robin Hood, J. G. Blair, A. J. Colborn, Nelson Beale, E. Arnette, Paul Hutchinson, and Professional Reginald Spencer.

## DEMPEY AND CARPENTIER MATCH FAVORED IN PARIS

PARIS, June 22.—(By The Associated Press.)—Public sentiment in France is in favor of a return match between Georges Carpentier and Jack Dempsey, according to a vote taken by the sports newspaper, L'Auto. In this poll, 15,373 voted yes and 5,272 no.

Carpentier's plans for future bouts do not take Harry Greb, the American, light-heavyweight, into consideration; in fact, he displays an unexplained annoyance when the Pittsburgh fighter's name is mentioned.

## NORWAY TO PLAY FRIDAY EVENING

New Uniform Arrive for Monongah Glass Nine—Game Booked Sunday.

Friday evening at 5 o'clock the fast Norway team will cross bats with the strong Kingmont nine, the game to be played at the Watson diamond. This should be a good battle, as both teams have been playing some good ball lately, and should attract a large crowd of fans. In the last two games that Norway has played, they have come out the winner, defeating Watson 6-2 and last Sunday they beat the Middleton team the score being 6-5. Kingmont has not played since the games with Monongah Glass on Memorial Day, but promises to be in good shape for tomorrow's battle. Welch will likely pitch for Kingmont, while Yost will start for Norway.

On Sunday afternoon at the Norway diamond, the Fairmont All-Stars will meet the Norway team. This game will start at 2:30 o'clock and is expected to attract a large crowd.

Next week Norway will meet the Millersville and Rivesville teams at the Norway lot, the dates yet to be fixed. On the Fourth of July, Norway will play a double-bill at Middleton, playing a game in the morning and the other in the afternoon. This will be a big day at Middleton and will draw a great crowd.

**Cutters Win Game** Last night at South Side Park two teams of the Monongah Glass plant played, the Cutters defeated the Mould Makers 8-5 in a good game.

**New Uniforms Arrive** Yesterday the new baseball uniforms of the Monongah Glass team arrived and were given out to the players last night, the suits will be used for the first time on Saturday when the Glassies will meet the Elks at South Side Park. The uniforms are gray, with a blue monogram of M. G. and a little CO. under the M. G., which is for Monongah Glass Co. The caps are black with a big F on the front, which stands for Fairmont, the stockings are plain blue. The uniform is attractive and will improve the looks of the team a lot when it takes the field.

## TRACK AND FIELD MEET POSTPONED

Events Planned for Glassworkers Here for Annual Convention.

By "CHUCK" The track and field meet that was to be held July 17 has been moved up to July 8 so that the delegates to the flint glassworkers' convention here can take part in the meet. Some special events are being worked out for the visitors that will encourage them to participate.

Primarily, the meet is for industrial men and is being promoted by the industrial department of the Y. M. C. A., but some events will be open to all, and it is expected that a number of high school and college athletes will enter these events. The open events are 100-yard dash, 440-yard dash, 880-yard dash, 12 pound shot-put and running high jump.

The events that are only open to industrial men are 100-yard dash, 220-yard dash, four man relay (880 yards), 50-yard dash, hop-step-jump, standing broad jump, running broad jump, running high jump, progressive standing broad jump (5 men), tug of war (5 men) and a baseball throw.

During the month of June, athletics tests have been tried at the various factories at noon hour, in the form of preliminary events. These tryouts have proven successful, and in some cases very creditable records have been established.

It was announced today that badgas will be given to the first three men in each event. These badges are gold bar pins with the name of the event on them and a colored ribbon attached, denoting the place as follows: Blue for first place, red for second and yellow for third.

The competition between the various factories is running high. Last year the team representing the Fairmont Mining Machinery Co. won the flag which was given for the highest score. This year a handsomely engraved shield will go to the plant that scores the highest number of points.

Any men who have not yet entered and wish to do so can secure entry blanks at the "Y." It has been announced that no entry fee will be charged.

## RETURNS TO JAIL AS PROTEST TO COSTS

Joe Ross was fined \$25 and costs in police court this morning on a loitering charge. He paid the \$25 fine but absolutely refused to pay out another penny for any charges in the case. "Me no pay," exclaimed Ross, when Chief Snyder explained that there was \$1 cost for an interpreter.

"You'll either pay or go to jail," added the chief.

"Go to jail first," Ross replied, at the same time displaying additional money sufficient to keep him out of jail. He was taken back to jail where he might give the matter further thought. Ross contended that the interpreter in the case was not used for him, and that the city or someone else should pay the fees for interpreting what witnesses in the case said.

After he had gone to jail, Ross got to thinking that he had better call an attorney to verify the law as it had been explained to him. His attorney advised him that he had better pay the additional interpretation fee, whereupon Ross produced another dollar and was released from jail.

Ross is an old offender on loitering charges and has been arrested and convicted on numerous occasions of conducting houses of ill fame. The fact of the matter is that he has been arrested so much that he now demands a receipt for any fine he pays so that he will not pay the same fine twice. Chief Snyder explained to him this morning that he was not required to give such receipt but would do it for him this time.

City officers, accompanied by county officers, went to the Ross shoe shining parlor in Water street last night about 9 o'clock where they arrested a man giving the name of Steve Kodak. Rosie Libeski and Joe Ross, Ross and the woman were each fined \$25, while Kodak was fined \$20.
